

LOWCOUNTRY BEEKEEPERS ASSOCIATION

AND BEE CITY

Summer Honey Bee Presentation Series

Lowcountry Beekeepers Association with support of Bee City and Charleston Community Bee Gardens presents a broad topical discussion of Honey Bees and Beekeeping over 3 Saturdays in the 2021 Summer months. If you are an experienced beekeeper or simply interested in learning about the Honey Bee, come and hear about the history, challenges, and rewards of this fascinating hobby. Beekeepers from the local area will present the following interesting and informative topics.

JUNE 19TH

12:00 – 12:50 History of Beekeeping and an American Influence
1:10 – 2:00 Starting a Hive – Initial Investment and Hive Components

JULY 17TH

12:00 – 12:50 Introduction to Honey Bees
1:10 – 2:00 Common Pests in Hive Management

AUGUST 21ST

12:00 – 12:50 Getting Your Bees: Packages, Swarms, Cutouts, and Bee Hunting
1:10 – 2:00 The Golden Payoff: Honey Harvesting and Extraction

Location: Bee City Classroom at the Bee City Zoo off Hwy 61 just west of the Edisto River

Admission: \$20.00 per person/day which includes access to the Bee City Zoo

Seating: Limited to 30 people

Reservations: lowcountrybeekeepers.org
